

# About Starlight

Starlight Children's Foundation Canada has been brightening the lives of seriously ill children and their families by them bringing joy, laughter and relief, for over 25 years. We focus on the family as a whole, at a time when they feel most isolated, offering programs and events that can provide an escape from the stress of dealing with a serious illness every day.

We provide both in-hospital and out-of-hospital programs.

What makes Starlight unique is that we are there for the entire journey — from hospital to home.
